**General Terms and Conditions**

Every effort will be made to operate according to schedules, but we cannot be held liable for circumstances that sometimes develop outside of our control such as weather, mechanical failures, and unexpected traffic delays.

Each passenger must have a printed eTicket to be presented to the ticket agent for travel.

The majority of our buses are equipped with wheelchair lifts. Call or email us at least 48 hours prior to travel to ensure a wheel chair lift equipped bus is scheduled on your particular trip.

eTicket fares are only applicable to online purchasing, we do not guarantee online rates will be available for in-person purchases.

Even though we operate the same schedule everyday of the year and often go years without a schedule change, we do encourage customers to check schedules for cancellation or changes prior to departure.

Airport Express will not be held liable for missed flights; please schedule accordingly to ensure you have enough time to make your flight.

We recommend arriving at the airport at least 90 minutes prior to any domestic flight and 3 hours prior to any international flight.

We allow each passenger two suitcases and one carry on bag. There is a \$6.00 charge for each additional bag or suitcase.

Except for service dogs and seeing eye dogs, all animals must be in a kennel and ride in the animal and cargo bay. There is a \$6.00 charge for each animal.

We can accommodate bicycles, golf clubs, and surfboards (under 7 feet). There is a \$6.00 additional charge for large boxes, surfboards, and bicycles (which must be boxed), but golf clubs ride at no extra charge.
